

## General Hotel Program Overview for Clubs | Teams

### Important Dates

- Tuesday, October 1st, 10am, EST
  - Team Registration opens
- Thursday, October 24th, 10am, EST
  - General Hotel Registrations opens
- Thursday, December 5th, 12pm, EST
  - Rooming List Deadline

### Requirements

1. A team must reserve 5 rooms x 3 nights (15 room nights) or more to be eligible.
2. A single USAV code must be associated with the team's requested room nights within the application.
3. Rooms cannot be used by other teams to maintain required number of rooms.
4. Each team will have their own contract.
5. A team must be registered AND entry fee paid in Sportwrench before any reservations can be made.

**Note:**

- Rooms must be booked at a Tournament Approved Hotel, through our official housing partner, THS.
- We highly recommend athletes sharing a room with their family members rather than with teammates, if possible. More booking information can be found by reviewing General Hotel Program for Spectators.
- Each reservation must be associated with a team, and any cancellation may affect the acceptance status of the team.

**Information**

- All bookings for General Hotels are done online through our housing partner at THS. A customer service representative will be happy to assist you with your housing needs. Phone: 888-536-8326
- Accepting a contract does not automatically guarantee entry into the tournament. Please check SportWrench to confirm acceptance.
- Individual and group rooms can be applied towards a team's required minimum room requirement.
- Each team is only allowed to book up to 15 rooms online. Teams needing to book more must have approval from THS.
- Falling below the minimum number of rooms will cause your team to lose acceptance status.
- A group reservation must utilize 90% of the contracted room nights based on the original number of rooms booked.
- Reservations made using rewards points or outside of the housing block will not be counted towards the team's room-night requirement.
- Reservations under multiple names can be made at various approved hotel properties.
- Some hotels in the downtown area may require a 3-night minimum stay.
- Rooms may be used by anyone affiliated with the team: players, coaches, parents or friends.
- Other teams cannot use open rooms on a contract in order to comply with the Stay & Play reservation requirement.
- Local teams may use this system to book best rates at tournament approved hotels. Both individual and group reservations are available.
