Upon registering and paying for the event on SportWrench, clubs will receive an entry confirmation email containing a link to the Loyalty Program Application.

- **Thursday, October 1, 2026 | 10:00 p.m. ET** – Loyalty Registration Closes

Program Overview

The Loyalty Program is a preferred booking program available to clubs registering eight (8) or more girls' teams that consistently reserve a high number of hotel room nights per team through the Event's official housing provider, THS. This level of participation is typically achieved through strong engagement from parents and families in booking accommodations within the club's designated hotel block.

Participation in the Loyalty Program is limited and is based on hotel inventory, event requirements, and overall program capacity. Acceptance into the program is not guaranteed. The Event reserves the sole and absolute discretion to determine club eligibility, the number of teams accepted from each club, and overall participation in the program.

Clubs with a history of noncompliance with tournament policies, housing requirements, payment obligations, or other event-related requirements may be deemed ineligible for participation in the Loyalty Program.

Clubs or teams that are not accepted into the Loyalty Program, or that choose not to participate, remain eligible to reserve accommodations through the General Hotel Program. The General Hotel Program will open on **Wednesday, October 28, 2026, at 10:00 a.m. Eastern Time (ET)**. Participation in, or denial from, the Loyalty Program does not affect a club's or team's eligibility to book accommodations through the General Hotel Program, subject to hotel availability and all applicable housing policies.

Program Eligibility Requirements

Note:

- Entry fees for teams participating in the Loyalty Program are non-refundable.
- Penalty fees will apply if Loyalty hotel contracts are cancelled, as outlined in the Event's Housing Contracts.

To qualify for and maintain participation in the Loyalty Program, clubs must meet the following requirements:

1. Minimum Team and Room Night Requirement

- A club must register and maintain a minimum of **eight (8) teams** in the Loyalty Program.
- Each team must contract a minimum of **33 room nights** (11 rooms × 3 nights), regardless of any subsequent changes to the team's entry status.
- Each team must utilize at least **90% of its originally contracted room nights**, based on the initial number of rooms reserved.

2. Participation History

- Clubs must have participated in the **Capitol Hill Classic** in at least **two (2) of the previous three (3) years**, maintained hotel reservations in good standing, and not incurred any major penalty fees.

3. USAV Club Identification

- All room nights requested through the Loyalty Program application must be associated with a **single USAV club code**. Room nights may not be combined across multiple USAV club codes.

4. Individual Team Qualification

- Each team must independently satisfy the minimum room night requirement. Room nights may not be combined across multiple teams to meet the minimum qualification.
- Teams not participating in the Loyalty Program may not occupy unused rooms within a Loyalty hotel block to satisfy the Event's Stay & Play housing requirements for tournament acceptance.

5. Hotel Block Requirements

- Each Loyalty team must maintain its own hotel contract/block.
 - All rooms within the block must be reserved for a **minimum three (3)-night stay**.
 - Individual reservations made outside of the team's contracted hotel block will not be credited toward the team's Loyalty room night requirement.
 - Rooms within a Loyalty hotel block may be occupied by any individuals affiliated with the team, including parents, players, coaches, family members, or other supporters.
-

Noncompliance Fees

To remain in good standing within the Loyalty Program, clubs must comply with all housing requirements. Failure to do so may result in the following penalties:

- Each Loyalty team must utilize a minimum of **90% of its originally contracted room nights**, based on the initial number of rooms reserved.
 - Failure to achieve the required 90% room night pickup will result in noncompliance fees, as outlined in the Event's housing contract.
 - Cancellation of Loyalty team hotel blocks is not permitted. Clubs that cancel a Loyalty hotel contract will be subject to applicable cancellation fees and penalties.
 - Any outstanding noncompliance fees must be paid prior to the start of the event. Failure to remit payment may result in the forfeiture of all scheduled matches until the outstanding balance has been paid in full.
 - Registration fees for teams participating in the Loyalty Program are non-refundable.
-

Program Exclusions

The following conditions and limitations apply to the Loyalty Program:

- Due to the size and availability of room blocks at downtown hotels, clubs requiring a large number of rooms may be assigned accommodations across multiple hotel properties.
 - THS will make every reasonable effort to accommodate each club's hotel preferences based on availability, inventory, and the club's housing needs. However, placement in multiple hotels may be necessary.
 - Because many clubs request the same walking-distance hotels, distributing teams among multiple properties may provide the best overall lodging solution while maximizing hotel availability.
 - Removing teams from the tournament after Loyalty hotel contracts have been executed may affect a club's eligibility for future participation in the Loyalty Program.
 - Teams competing in the **11 & Under** divisions and all **boys' divisions** are not eligible to participate in the Loyalty Program.
-

Housing Assistance

THS representatives are available to assist with hotel reservations and housing questions.
