

General Hotel Program Overview for Clubs | Teams

Important Dates

- Wednesday, October 1st, 10am, EST
 - Team Registration opens
- Tuesday, October 28th, 10am, EST
 - General Hotel Registration opens

Requirements

1. Each team must be registered AND entry fee paid in Sportwrench before making hotel reservations.
2. Each team must reserve a minimum of 6 rooms x 3 nights (18 room nights) or more to be eligible to compete.
3. A single USAV code must be associated with the team's requested room nights within the application.
4. Each team is responsible for booking its own hotel reservations and meeting the minimum room-night requirement. Club blocks are not allowed.

Note:

- Rooms must be booked at a Tournament Approved Hotel, through our official housing partner, THS.
- We highly recommend athletes sharing a room with their family members rather than with teammates, if possible. More booking information can be found by reviewing General Hotel Program for Spectators.
- Each reservation must be associated with a team, and any cancellation may affect the acceptance status of the team.

Information

- All bookings for General Hotels are done online through our housing partner at THS. A customer service representative will be happy to assist you with your housing needs. Phone: 908-979-0928
- Making a hotel reservation does not automatically guarantee entry into the tournament. Please check SportWrench for acceptance status.
- Individual and group booking can be applied towards a team's minimum roomnight.
- Each team is only allowed to book up to 15 rooms online. Teams needing to book more must have approval from THS.
- Falling below the minimum number of rooms will cause your team to lose acceptance status.
- A group reservation must utilize 90% of the contracted room nights based on the original number of rooms booked.
- Reservations made using rewards points or outside of the housing block will not be counted towards the team's room-night requirement.
- Teams are not required to stay in one hotel. Individual reservations can be made at various Approved Hotels in order to achieve the minimum roomnight requirement.
- Some hotels in the downtown area may require a 3-night minimum stay.
- Rooms may be used by anyone affiliated with the team: players, coaches, parents or friends.
- Local teams may use this system to book the best rates at Tournament Approved Hotels. Both individual and group reservations are available.
