- Wednesday, December 22nd, 12pm, EST
 - Hotel Rooming List Due for Weekend 2, Feb. 19-21

Information

We recommend athletes plan to share hotel rooms with their family members rather than with teammates, if possible. As a parent, booking a room helps your athlete's team receive credit towards acceptance into the event by enabling your team to reach the minimum room nights requirement. Please understand your team is counting on this reservation and cancellation may affect the teams' acceptance status and ability to participate. Financial penalties may apply for the team to remain in the event if rooms are cancelled.

Guidelines

- For your room to be added to your athlete's team room night requirement, it must be assigned to your athlete's team.

- When making a reservation, you will be prompted to select your club's name and the team your athlete is playing on.
- If your club and team name do not appear, the club has not entered the event and paid the entry fee in SportWrench.
- Remember, your athlete's team is counting on parents to make reservations through our hotel partner (THS) at an approved tournament hotel.
- Reservations made using reward points or outside the housing block will not be counted towards the team's room-night requirement.

Requirements

- Individual and group rooms can be applied towards a team's required minimum room requirement.

Event	Event Dates	Mandatory	Rooming List Due
Weekend 1	February 12-13	10 room nights, 5 rooms for 2 nights	December 15, 2021
Weekend 2	February 19-21	15 room nights, 5 rooms for 3 nights	December 22, 2021

- Falling below the minimum number of rooms will cause your team to lose acceptance status.
- Cancellation of your reservation at any point prior to the event may result in the teams' ability to participate.
- A financial penalty, to be determined by tournament directors, will be levied on the team in order to regain acceptance status.
- Other teams in your club cannot use your reservation in order to comply with the Stay & Play reservation requirements.

Note

Accepting a hotel contract does not automatically guarantee entry into the tournament. Please check SportWrench to confirm your team's acceptance into the event.
